New York, NY · (917) 968-8230 · Acwill90@gmail.com · linkedin.com/in/acwill90 · acwill90.github.io

SUMMARY

PMP-certified operations and project management leader with an MBA and nearly 17 years at Sodexo, progressing from frontline healthcare operations to regional leadership and Operations Manager inside NYC Health + Hospitals facilities. Spearheaded an enterprise software implementation across 16 NYC Health + Hospitals sites, led automation initiatives that cut costs 40%, exceeded client satisfaction targets by 15%, and improved operational effectiveness by 12%. Coordinates operations, clinical, IT, vendor, and executive stakeholders from planning and vendor selection through implementation and go-live in regulated environments.

AREAS OF EXPERTISE

Project & Program Management · Healthcare Operations · Cross-Functional Leadership · Process Improvement · Stakeholder Management · Change Management · Operational Strategy · Budget & Cost Control · KPI Reporting · Risk Management · Digital Transformation · AI-Enabled Workflows

PROFESSIONAL EXPERIENCE

Sodexo — Contracted operations for NYC Health + Hospitals, New York City Metropolitan Area | Dec 2009 – Present

Operations Manager — South Brooklyn Health

Sep 2022 – Present

- **Enterprise Implementation:** Spearheaded the TDSS Linen Software implementation across 16 NYC Health + Hospitals sites, coordinating operational requirements, stakeholders, implementation activities, and user adoption.
- **Cost Optimization:** Led automation and operational improvement initiatives, including a 12-machine linen automation expansion, that reduced weekly linen spending by 40%, from $20,000 to $12,000.
- **Program Launch:** Pitched a lab coat rental program to hospital executives and launched it, managing vendor production and fittings for 350+ clinicians.
- **Cross-Functional Leadership:** Partner with clinical, IT, operations, vendor, and senior leadership stakeholders to execute initiatives in a complex, regulated healthcare environment.
- **Digital Transformation:** Implemented digital inventory controls that improved accuracy, accountability, and standardization across operations.
- **Team Leadership:** Lead a team of 10+ employees responsible for critical operational functions, balancing service delivery, compliance, performance, and workforce needs.

Regional Operations Support Manager — Multi-site healthcare operations

Aug 2021 – Sep 2022

- Oversaw operational performance across multiple healthcare sites, exceeding client satisfaction targets by 15% through cross-site service delivery improvements.
- Served as key liaison between site leadership and regional stakeholders, aligning annual goals, KPIs, and project expectations across competing priorities.
- Led cross-functional process improvement initiatives that increased operational effectiveness by 12%.

Patient Care Ambassador / Lead Worker — Brooklyn, NY

Dec 2009 – Aug 2021

- Delivered frontline patient services in a regulated healthcare environment with full HACCP and JCAHO compliance.
- Optimized daily team assignments and staffing schedules to improve efficiency and adherence to safety regulations.

EDUCATION & CERTIFICATIONS
